## Management and Leadership

### **Environmental Policy Statement**

*GreenDrop is committed to reducing its impact and continue the green mission of educating residents to help preserve our environment, promote community involvement and enable individuals to directly participate to help nonprofits. The mission of GreenDrop is clear and good to repurpose and help others.*

*GreenDrop works on behalf of the American Red Cross and the Military Order of the Purple Heart to raise critical funds for their causes through the generation and collection of donated clothing and household items. GreenDrop strives to continually improve our environmental performance.*

*GreenDrop is good for everyone – helping residents declutter, helping the environment and helping a non-profit!*

*Title: Community Marketing Manager*

### **Environmental Team**

*The GreenDrop team meets regularly to discuss ways to streamline operations and logistics to reduce the use of fuel and decrease environmental impact.*

### **Environmentally Preferable Products and Services**

*GreenDrop collects donated items through nine collection centers in Maryland. Drop off locations are listed on our [website](#) and home pickups can be scheduled by calling 888-944-3767. Through the collection of donated items, GreenDrop prevents roughly 100 tons of clothing per week from entering landfills.*

### **Environmental Restoration or Community Environmental Projects**

*GreenDrop provides educational presentations stressing the importance of recycling and environment preservation to elementary, high schools and middle schools in conjunction with the school's earth day and/or community clothing donation drives.*

## **Waste**

### **Solid Waste Reduction and Reuse**

*GreenDrop recycles clothing, shoes, toys and small household items by the truckload saving thousands of dollars to community's trash costs by recycling these items and reusing them throughout the community.*

## **Transportation**

### **Efficient Business Travel**

*GreenDrop conducts remote staff meetings through teleconference to reduce the use of fuel.*

***Profile Updated October 2023***

*Help build a greener, more sustainable Maryland through voluntary practices that reduce environmental impacts and save money.*
