Approved Statistical Inventory Reconciliation (SIR) Vendors

The below companies and their test methods are currently listed on www.nwglde.org and have received Third Party approval to perform Statistical Inventory Reconciliation (SIR). This list was prepared by the Department from information known and available at the time of preparation. The Department makes no claim as to its completeness or to the quality of work performed. Inclusion on this list is not to be considered an endorsement by the State of Maryland. The Department strongly recommends that the consumer obtain prices and review company references before entering into agreements with any contractors or service providers.
